Dear Mr. LeGulf:

On behalf of Mr. Allen W. Dulles, Director of Central Intelligence, I should like to acknowledge receipt of your letter of August 22nd dealing with the Powers' case.

As you must know, Mr. Powers performed an extremely valuable service for the security of this country. Arrangements have been made to continue his salary accruals without reduction of amounts. This determination is in accord with existing Federal laws which would be applicable to civilian employees and military personnel under similar circumstances.

Your interest in this matter is appreciated.

Sincerely,

Signed

I would so like a just answer to the Powers case - If he accepted such a job (for beyond what he was made to) and the rules is if caught to end it all before confessing (U.S. never should have done same!!) or to be a man without a country of which he did choose - There is a large salary still due him?

yours
